It is printed in large, clear type, easily read by young and old, and publishes a brilliant magazine feature by a popular author every day, besides much good poetry and interesting departments devoted to science and invention, art, literature, music, education, hygiene, home management, fashions, humor, sports and recreations, travels, matters of interest to women and children, etc. It is a clean family paper and admits nothing to its reading and advertising columns that cannot be read aloud in the family circle. The Daily Review has subscribers in every State in the Union and every county and township in this and surrounding States. It is just the daily paper for the busy farmers and business men, professional men and their families. Subscribe for the Daily Review to-day. In the Circuit Court of Iron County, Missouri—in vacation November 3, 1904.

Peter Schneider
vs.
Clara A. Schneider.
[Divorce.]

Now at this [day comes the plaintiff, by his attorney, and files his petition setting forth, among other things, that the defendant is a non-resident of the State of Missouri, and that the ordinary process of law cannot be served upon her. It is further ordered that a copy hereof be published according to law in some weekly newspaper published in the County of Iron and State of Missouri.

BLACK-DRAUGHT STOCK & POULTRY MEDICINE

This great stock medicine is a money saver for stock raisers. It is a medicine, not a cheap food or condition powder. Though put up in coarser form than Theodor's Black-Draught, renowned for the cure of the digestion troubles of persons, it has the same qualities of invigorating digestion, stirring up the torpid liver and loosening the constipated bowels for all stock and poultry. It is carefully prepared and its action is so healthful that stock grow and thrive with an occasional dose in their food. It cures hog cholera and makes hogs grow fat. It cures chicken cholera and rump and makes hens lay. It cures constipation, distemper and colds in horses, murrain in cattle, and makes a draught animal do more work for the food consumed. It gives animals and fowls of all kinds new life. Every farmer and raiser should certainly give it a trial.

It costs 25c. a can and saves ten times its price in profit.

PITTSBURG, KAN., March 25, 1904.
I have been using your Black-Draught Stock and Poultry Medicine on my stock for some time. I have used all kinds of stock food but I have found that yours is the best for my purpose.
